

TX7980

Detector Base

Features and Benefits

- Used to mount TNA Intelligent TX7100 Smoke, TX7110 Heat, TX120 Multi-sensor and sounder & strobe base series.
- Made of flame-resistance plastic ABS
- No electrical Circuit.

Technical Specification

Approvals (Refers to Detector)	LPCB / CE
Material / Colour	ABS/ White Glossy finishing
Dimension / Height	Diameter 99.7 / 15mm
IP Grade	IP30 Indoor Use
Gross Weight	About 55g
Operating Environment	
Temperature	-10°C~+50°C
Relative Humidity	≤95%, non-condensin
